

Navigation:

The website's navigation menu is located at the top of each page, typically in the form of clickable tabs or icons.

On the Home Page (Page 1), you'll find options to navigate to different sections of the website, such as the Menu, Table Booking, Current Offers, and Login/Signup.

On the Menu Page (Page 2), you can select from various categories like Non-Veg, Veg, Table Booking, Contact, and Logout.

Login/Signup:

If you're a new user, click on the "Signup" option in the navigation menu on the Home Page.

If you're a returning user, click on the "Login" option and enter your credentials.

Once logged in, you may access additional features like personalized recommendations, order history, and saved preferences.

Table Booking (Page 3):

To make a reservation, click on the "Table Booking" option in the navigation menu.

Fill in the required details such as Name, Email, Phone, Date, Time, Number of Guests, and select a table if applicable.

Submit the form to confirm your reservation.

You may receive a confirmation email or notification upon successful booking.

Current Offers (Page 4):

Explore the latest promotions and offers available at the restaurant.

Each offer will have details such as the discount percentage, applicable timings, and any terms and conditions.

Take note of the offer details and validity period to avail of the discounts during your visit.

General Usage:

Throughout the website, you'll find a consistent color theme of black and yellow for visual coherence.

Click on any clickable item, such as buttons, links, or images, to navigate to different pages or perform specific actions.

Ensure to review any prompts or error messages that may appear during your interactions, and follow any instructions provided.

If you encounter any issues or have inquiries, you can reach out for assistance via the Contact option in the navigation menu.

Logout:

When you're done using the website, it's recommended to log out for security purposes.

Click on the "Logout" option in the navigation menu to safely end your session.

Following these instructions will help you navigate and utilize the features of the website effectively. Enjoy your experience!.
